Coast Guard

33 CFR Parts 100 and 165

[Docket No. USCG-2011-0286]

RIN 1625-AA00; 1625-AA08

Eighth Coast Guard District Annual Marine Events and Safety Zones

AGENCY: Coast Guard, DHS.

ACTION: Direct final rule; request for comments.

SUMMARY: The Coast Guard is amending and updating its special local regulations and safety zones relating to recurring marine parades, regattas, fireworks displays, and other events that take place in the Eighth Coast Guard District area of responsibility. This rule informs the public of regularly scheduled marine parades, regattas, fireworks displays, and other annual events. When these special local regulations and safety zones are enforced, marine traffic is restricted in specified areas. The purpose of this rule is to reduce administrative costs involved in producing a separate rule for each individual recurring event and to provide notice of the known recurring events requiring a special local regulation or safety zone throughout the year. This rule will also help to protect

event participants and the public from the hazards associated with the listed events.

DATES: This rule is effective **[INSERT DATE 90 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**, unless an adverse comment, or notice of intent to submit an adverse comment, is either submitted to our online docket via <http://www.regulations.gov> on or before **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]** or reaches the Docket Management Facility by that date. If an adverse comment, or notice of intent to submit an adverse comment, is received by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**, we will withdraw this direct final rule and publish a notice of withdrawal in the Federal Register.

ADDRESSES: You may submit comments identified by docket number USCG-2011-0286 using any one of the following methods:

(1) Federal eRulemaking Portal:

<http://www.regulations.gov>.

(2) Fax: 202-493-2251.

(3) Mail: Docket Management Facility (M-30), U.S.

Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590-0001.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail Shelley R. Miller, Eighth Coast Guard District Waterways Management Division, (504) 671-2139 or e-mail, Shelley.R.Miller@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage participation in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided. We have an agreement with the Department of Transportation (DOT) to use the Docket Management Facility. Please see DOT's "Privacy Act" paragraph below.

Submitting comments

If you submit a comment, please include the docket

number for this rulemaking (USCG-2011-0286), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. Insert "USCG-2011-0286" in the "Search" box. Click "Search" then click on "Submit a Comment" in the "Actions" column.

If you submit comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached

the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change this rule based on your comments.

Viewing comments and documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>. Insert "USCG-2011-0286" in the Search box and click "Search." Click the "Open Docket Folder" in the "Actions" column. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one to the Docket Management Facility at the address under ADDRESSES explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

Regulatory Information

We are publishing this direct final rule under 33 CFR 1.05-55 because we do not expect an adverse comment. If no adverse comment or notice of intent to submit an adverse comment is received by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**, this rule will become effective as stated in the DATES section. In that case, approximately 30 days before the effective date, we will publish a document in the Federal Register stating that no adverse comment was received and confirming that this rule will become effective as scheduled. However, if we receive an adverse comment or notice of intent to submit an adverse comment, we will publish a document in the Federal Register announcing the withdrawal of all or part of this direct final rule. If an adverse comment applies only to part of this rule (e.g., to an amendment, a paragraph, or a section) and it is possible to remove that part without defeating the purpose of this rule, we may adopt, as final, those parts of this rule on which no adverse comment was received. We will

withdraw the part of this rule that was the subject of an adverse comment. If we decide to proceed with a rulemaking following receipt of an adverse comment, we will publish a separate notice of proposed rulemaking (NPRM) and provide a new opportunity for comment.

A comment is considered "adverse" if the comment explains why this rule or a part of this rule would be inappropriate, including a challenge to its underlying premise or approach, or would be ineffective or unacceptable without a change.

Basis and Purpose

The Coast Guard is amending and updating the special local regulations and safety zones under 33 CFR parts 100 and 165 to incorporate the numerous annual marine events held on or around navigable waters within the Eighth Coast Guard District. These events include marine parades, boat races, swim events, fireworks displays, and other marine related events. In the past, a special local regulation or safety zone for each individual event was established separately. Currently, there is a list of events located at 33 CFR part 100, establishing a special local regulation for each annually recurring marine event. That list requires amending and updating to include 136 new events expected to recur annually (and for which temporary rules have typically

been enacted each year), remove 44 events that no longer occur, and to properly categorize 83 events requiring either a special local regulation or a safety zone. Issuing individual regulations for each new event, event requiring amendment, or removing or re-categorizing an event creates unnecessary administrative costs and burdens. This rule considerably reduces the administrative overhead and provides the public with notice through publication in the Federal Register of the upcoming recurring marine events and their accompanying special local regulations and safety zones.

Amending and updating the established permanent regulations for marine events eliminates the need to issue individual temporary rules for each recurring event. The Coast Guard encourages the public to participate in this rulemaking so that any changes necessary can be identified and implemented in a timely and efficient manner..

Discussion of Rule

33 C.F.R. part 100 contains regulations to provide effective control over regattas and marine parades conducted on U.S. navigable waters to ensure safety of life in the regattas or marine parade area. Section 100.801 regulates events that take place in the Eighth Coast Guard District. This section requires amendment and update to properly reflect the annually recurring marine events requiring

special local regulations in the Eighth Coast Guard District. The events listed in Table 1 of Section 100.801 are amended and updated to reflect current events as presented in this rule.

This rule also modifies 33 C.F.R. part 165 which provides for the establishment of safety zones to ensure marine safety during fireworks displays, air shows and other marine events recurring annually and requiring a safety zone. A new table listing the annually recurring safety zones in the Eighth Coast Guard District is added to 33 CFR 165.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that those

Orders

The Coast Guard expects the economic impact of this rule to be so minimal that a full regulatory evaluation is unnecessary. The marine parades, regattas, fireworks displays, and other events listed in this rule will restrict vessel traffic transiting certain areas of Eighth Coast Guard District waters at specified times; however the effect of this regulation will not be significant because these events are short in duration and the special local regulation or safety zone restricting and governing vessel movements are also short in duration. Additionally, the public is given advance notification through the Federal Register and/or Notices of Enforcement and thus will be able to plan operations around the events in advance.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This rule may affect the following

entities, some of which might be small entities: the owners or operators of vessels intending to transit the regulated area during the marine parades, regattas, fireworks displays, and other events. The special local regulations and safety zones will not have a significant economic impact on a substantial number of small entities for the following reasons. These regulations will be in effect for short periods of times. Before the effective period, the Coast Guard Captain of the Port will issue maritime advisories widely available to waterway users. Therefore, the Coast Guard certifies under 5 U.S.C. 605(b) that this final rule will not have a significant economic impact on a substantial number of small entities.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small

businesses. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an

expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian

tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that

are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 0023.1 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded under section 2.B.2, figure 2-1, paragraphs (34)(g) and (34)(h) of the Instruction because it involves establishment of safety zones and special local regulations for marine parades, regattas, fireworks displays, and other events. An Environmental analysis and a categorical exclusion determination are available in the docket where indicated under ADDRESSES.

List of Subjects
